## *Ingredients*

### MAGIC QUICHE EQUATION ✨

1. Crack 3 eggs into a measuring cup
2. Add enough milk to reach 1 ½ cups of liquid total (eggs vary in size, so adjust as needed!).

## *Directions*

1. Blind back a pie shell at 275° F.
2. Preheat oven to 350° F.
3. Add anything you want as a filling, cheese and sauteed onions advised
4. Pour quiche mix
5. Dust with nutmeg.
6. Cook until fork comes out clean. Typically from 30 to 45 minutes.
